Legal journal «Scientific works of National Aviation University. Series: Law Journal «Air and Space Law» (Certificate of registration from 11.10 2005) was first time issued in 2006, and from 2007 it is published 4 times a year. In 2010 the journal was added to the list of academic editions of Ukraine, where the results of dissertations for the degree of doctor and candidate of legal sciences can be published (Resolution of the Higher Attestation Commission of Ukraine №5 from 2010). In 2015 the journal was re-registered according to the order of Ministry of Education and Science of Ukraine from 12.05.2015, № 528. In accordance with the requirements of the procedure of scientific professional editions' formation, editorial board of the legal journal consists of 5 doctors of law from Law Institute NAU, 9 doctors of law from other higher education institutions, and 8 foreign scholars, professionals from different fields of law. The fact that editorial board involves foreign scientists contributes establishing a scientific cooperation with higher education institutions of other countries, including in the field of Air and Space Law. The journal has a separate section, where the results of researches in the field of international air and space law, national legislation concerning legal regulation of aviation and space activity are published. From 2010 to 2015, 20 issues of the journal published 574 articles of both well-known law scholars and young scientists who are working on their candidate and doctoral dissertations.

Each issue is examined concerning the possibility of being published in the media of Ukraine and is recommended for publication by the Academic Council of the National Aviation University. According to the procedure of formation of the list of scientific professional editions, the publisher sends its issues to the libraries of Ukraine. All editions of the magazine from the very beginning are available on the site of Library of V. Vernadsky in «Scientific Periodicals of Ukraine» section, as well as on NAU web-site. In addition, starting from 2014 English version of the articles is posted on the web-site of the journal. Editorial Board monitors the compliance with the editorial design of professional scientific publication requirements and mandatory external review of papers. Internal review of articles submitted for publication is done. Articles are published in Ukrainian, English and Russian.

Editorial Board of the journal invites scientists, practicing lawyers to the cooperation and offers publication in professional academic edition «Scientific works of National Aviation University. Series: Law Journal «Air and Space Law».
